RE: St Vincent's Catholic Medical Centers of New York
Case No 10-11963 (CGM)
Hearing August 4, 2011 Courtm 701 Bankruptcy Court, 1 Bowling Green, NYNY

This is to notify above parties and all concerned in this matter that I disagree with the Notice 'Disallowing Certain Claims'.

I would ask that the Court not approve the Objection as the statement that the claim was discharged is incorrect.

As Pro Se, I will need sufficient time to present the documents to support my claim.
